

FACIALS

Our results driven facials combine a range of ancient techniques with our award-winning ESPA product range to boost the skins natural cell regeneration to defy the effects of ageing, leaving you with instantly visible results and your natural glow restored.

All of our luxury facials include:

A detailed consultation with in-depth SkinVision analysis

Cleansing and exfoliation

A treatment specific massage, mask and intensive serum chosen to suit your individual needs

Finished with a tinted moisturiser to leave you ready to face the world again

Redefining Enzyme Facial

85 minutes | £95

Profoundly refine, hydrate and firm with our 'hero' high performance facial. Infused with nature's most effective extracts, a stimulating Pumpkin Enzyme peel works alongside signature Tri-Active™ blends to boost cell renewal while intensely smoothing and lifting your complexion.

Optimal Skin Profacial

55 minutes | £65

This intelligent facial harnesses nature's most potent actives alongside high-performance massage to deeply cleanse, refine and hydrate skin leaving you with a smooth, profoundly nourished and visibly glowing complexion.

Intense Regeneration

55 minutes | £65

This highly effective anti-ageing facial instantly hydrates and rejuvenates the complexion by addressing the most visible signs of ageing to leave skin replenished, supple and visibly plumped.

Inner Beauty Facial

55 minutes | £65

By assessing your skin, lifestyle and well-being needs, our therapists will create a personalised, results focussed facial using the latest innovative techniques with powerful Tri-Active™ blends to leave you with both instant and long-lasting results.

Your natural skin cycle lasts 21 days, so for longer-lasting results we recommend a facial once a month. You can also continue your treatment at home with a range of award-winning products available from Santai reception.
